MANAGEMENT INFORMATION CIRCULAR
As at July 14, 2025

SOLICITATION OF PROXIES

THIS MANAGEMENT INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY MANAGEMENT OF STERLING METALS CORP. (the “**Company**”) of proxies to be used at the annual and special meeting of shareholders of the Company to be held on Thursday, August 14, 2025, at the hour of 10:00 a.m. (Eastern time), at 217 Queen Street West, Suite 401, Toronto, Ontario M5V 0R2, and at any adjournment or postponement thereof (the “**Meeting**”) for the purposes set out in the enclosed notice of meeting (the “**Notice of Meeting**”). Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other proxy solicitation services. In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), arrangements have been made with brokerage houses and clearing agencies, custodians, nominees, fiduciaries or other intermediaries to send the Notice of Meeting, this management information circular (the “**Management Information Circular**”), the annual financial statements of the Company for the financial year ended December 31, 2024, and related management’s discussion and analysis and other meeting materials, if applicable (the “**Meeting Materials**”) to the beneficial owners of the common shares of the Company (each, a “**Common Share**”) held of record by such parties. The Company may reimburse such parties for reasonable fees and disbursements incurred by them in doing so. The costs of the solicitation of proxies will be borne by the Company. The Company may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Company in favour of the matters set forth in the Notice of Meeting.

APPOINTMENT AND REVOCATION OF PROXIES

A holder of Common Shares who appears on the records maintained by the Company’s registrar and transfer agent as a registered holder of Common Shares (each a “**Registered Shareholder**”) may vote in person at the Meeting or may appoint another person to represent such Registered Shareholder as proxy and to vote the Common Shares of such Registered Shareholder at the Meeting. In order to appoint another person as proxy, a Registered Shareholder must complete, execute and deliver the form of proxy accompanying this Management Information Circular, or another proper form of proxy, in the manner specified in the Notice of Meeting.

The purpose of a form of proxy is to designate persons who will vote on the shareholder’s behalf in accordance with the instructions given by the shareholder in the form of proxy. The persons named in the enclosed form of proxy are officers or directors of the Company. **A REGISTERED SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE COMPANY, TO REPRESENT HIM, HER OR IT AT THE MEETING MAY DO SO BY FILLING IN THE NAME OF SUCH PERSON IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER PROPER FORM OF PROXY.** A Registered Shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed form of proxy with the Company’s transfer agent and registrar, Computershare Investor Services Inc. (the “**Transfer Agent**”), not later than 10:00 a.m. (Eastern time) on Tuesday, August 12, 2025, or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays, Sundays and holidays, preceding the time of such adjourned Meeting at which the form of proxy is to be used. A form of proxy should be executed by the Registered Shareholder or his or her attorney duly authorized in writing or, if the Registered Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies may be deposited with the Transfer Agent using one of the following methods:

By Mail or Hand Delivery:	Computershare Investor Services Inc. 320 Bay Street, 14 th Floor, Toronto, Ontario M5H 4A6
Telephone:	1-866-732-VOTE (8683) Toll Free You will need to provide your 15 digit control number (located on the form of proxy accompanying this Management Information Circular)
By Internet:	www.investorvote.com You will need to provide your 15 digit control number (located on the form of proxy accompanying this Management Information Circular)

A Registered Shareholder attending the Meeting has the right to vote in person and, if he or she does so, his or her form of proxy is nullified with respect to the matters such person votes upon at the Meeting and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

A Registered Shareholder who has given a form of proxy may revoke the form of proxy at any time prior to using it: (a) by depositing an instrument in writing, including another completed form of proxy, executed by such Registered Shareholder or by his or her attorney authorized in writing or, if the Registered Shareholder is a corporation, by an authorized officer or attorney thereof, to (i) the registered office of the Company, located at 217 Queen Street West, Suite 401, Toronto, Ontario M5V 0R2, at any time prior to 5:00 p.m. (Eastern time) on the last business day preceding the day of the Meeting or any adjournment thereof or (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and, if a Registered Shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the Common Shares represented by the proxy shall be voted accordingly. Where no choice is specified, the proxy will confer discretionary authority and will be voted for the election of directors, for the appointment of auditors and the authorization of the directors to fix their remuneration and for each item of special business, as stated elsewhere in this Management Information Circular.

The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his judgment may determine. At the time of printing this Management Information Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

ADVICE TO NON-REGISTERED SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders of the Company do not hold Common Shares in their own name. Only Registered Shareholders or the persons they appoint as their proxies are permitted to attend and vote at the Meeting and only forms of proxy deposited by Registered Shareholders will be recognized and acted upon at the Meeting. Common Shares beneficially owned by a beneficial holder of Common Shares who does not appear on the records maintained by the Company's registrar and transfer agent as a registered holder of Common Shares (each a "**Non-Registered Holder**") are registered either: (i) in the name of an intermediary (an "**Intermediary**") with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) (a "**Clearing Agency**") of which the Intermediary is a participant. Accordingly, such Intermediaries and Clearing Agencies would be the Registered Shareholders and would appear as such on the list maintained by the Transfer Agent. Non-Registered Holders do not appear on the list of the Registered Shareholders maintained by the Transfer Agent.

Distribution of Meeting Materials to Non-Registered Holders

In accordance with the requirements of NI 54-101, the Company has distributed copies of the Meeting Materials to the Clearing Agencies and Intermediaries for onward distribution to Non-Registered Holders as well as directly to NOBOs (as defined below).

Non-Registered Holders fall into two categories, those who object to their identity being known to the issuers of securities which they own (“**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities which they own (“**NOBOs**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials to such NOBOs. If you are a NOBO and the Company or its agent has sent the Meeting Materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf.

The Company’s OBOs can expect to be contacted by their Intermediary. The Company does not intend to pay for Intermediaries to deliver the Meeting Materials to OBOs and it is the responsibility of such Intermediaries to ensure delivery of the Meeting Materials to their OBOs.

Voting by Non-Registered Holders

The Common Shares held by Non-Registered Holders can only be voted or withheld from voting at the direction of the Non-Registered Holder. Without specific instructions, Intermediaries or Clearing Agencies are prohibited from voting Common Shares on behalf of Non-Registered Holders. Therefore, each Non-Registered Holder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

The various Intermediaries have their own mailing procedures and provide their own return instructions to Non-Registered Holders, which should be carefully followed by Non-Registered Holders in order to ensure that their Common Shares are voted at the Meeting.

Non-Registered Holders will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

Voting Instruction Form. In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form (a “**VIF**”). If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder’s behalf), the VIF must be completed, signed and returned in accordance with the directions on the form.

or,

Form of Proxy. Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder’s behalf), the Non-Registered Holder must complete and sign the form of proxy and in accordance with the directions on the form.

Voting by Non-Registered Holders at the Meeting

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an Intermediary or a Clearing Agency, a Non-Registered Holder may attend the Meeting as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder and vote such Common Shares as a proxyholder. A Non-Registered Holder who wishes

to attend the Meeting and to vote their Common Shares as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder, should (a) if they received a VIF, follow the directions indicated on the VIF; or (b) if they received a form of proxy strike out the names of the persons named in the form of proxy and insert the Non-Registered Holder's or its nominees name in the blank space provided. Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those instructions regarding when and where the VIF or the form of proxy is to be delivered.

All references to shareholders in the Meeting Materials are to Registered Shareholders as set forth on the list of registered shareholders of the Company as maintained by the Transfer Agent, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Company consists of an unlimited number of Common Shares without par value. As of Thursday, July 10, 2025 (the **"Record Date"**), there were a total of 30,920,779 Common Shares issued and outstanding. Each Common Share outstanding on the Record Date carries the right to one vote at the Meeting.

Only Registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting. On a show of hands, every Registered Shareholder and proxy holder will have one vote and, on a poll, every Registered Shareholder present in person or represented by proxy will have one vote for each Common Share held.

To the knowledge of the Company's directors and executive officers, as of the date hereof, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Corporate Cease Trade Orders or Bankruptcies

None of the proposed directors of the Company, within 10 years before the date of this Management Information Circular, have been a director, chief executive officer or chief financial officer of any company that:

- (a) was subject to: (i) a cease trade order; (ii) an order similar to a cease trade order; or (iii) an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days (collectively an “**Order**”) and that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to an Order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

None of the proposed directors of the Company, within 10 years before the date of this Management Information Circular, have been a director or executive officer of any company that, while the proposed director was acting in that capacity, or within a year of the proposed director ceasing to act in that capacity, became bankrupt, made a

proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Personal Bankruptcies

None of the proposed directors of the Company have, within the 10 years before the date of this Management Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of such person.

Penalties and Sanctions

None of the proposed directors of the Company have been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority or been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in making an investment decision.

3. APPOINTMENT OF AUDITORS

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF BAKER TILLY WM LLP, CHARTERED PROFESSIONAL ACCOUNTANTS, AS AUDITORS OF THE COMPANY TO HOLD OFFICE UNTIL THE NEXT ANNUAL MEETING OF SHAREHOLDERS AND THE AUTHORIZATION OF THE DIRECTORS TO FIX THEIR REMUNERATION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF. Baker Tilly WM LLP, Chartered Professional Accountants were first appointed as the auditors of the Company on November 23, 2020.

4. APPROVAL AND CONFIRMATION OF OMNIBUS LONG-TERM INCENTIVE PLAN

The Company has adopted an omnibus long-term incentive plan (the “**LTIP**”) which provides for a variety of equity-based awards that may be granted, including performance share units (“**PSUs**”) and restricted share units (“**RSUs**” and together with PSUs, the “**Share Units**”) and stock options (“**Options**” and together with the PSUs and RSUs, “**Awards**”) to certain directors, officers, employees, consultants and management company employees providing ongoing services to the Company and its affiliates. Each Option represents the right to receive Common Shares and each Share Unit represents the right to receive Common Shares, or the market value of such Common Shares in cash, or a combination of the two, in accordance with the terms of the LTIP. The LTIP was approved by the shareholders at the annual and special meeting of shareholders held on July 10, 2024.

The LTIP is a “rolling” plan which sets the total number of Common Shares reserved and available for grant and issuance pursuant to Awards at an amount not to exceed 10% of the Common Shares at the date of grant, or such other number as may be approved by the TSX Venture Exchange (“**TSXV**”) and the shareholders from time to time. For the purposes of calculating the maximum number of Common Shares reserved for issuance under the LTIP and all other share compensation arrangements, any issuance from treasury by the Company that is issued in reliance upon an exemption under applicable stock exchange rules applicable to equity-based compensation arrangements used as an inducement to person(s) or company(ies) not previously employed by and not previously an insider of the Company shall not be included. All of the Common Shares covered by the exercised, cancelled or terminated Awards or Common Shares underlying an Award that have been settled in cash will automatically become available Common Shares for the purposes of Awards that may be subsequently granted under the LTIP. As a result, the LTIP is considered an “evergreen” plan.

The principal features of the LTIP are described in more detail below in the section entitled “*Statement of Executive Compensation – Stock Option Plan and other Incentive Plans*”.

The LTIP is a “rolling” equity compensation plan and, under Policy 4.4 of the TSXV, a listed company on the TSXV is required to obtain the approval of its shareholders for a “rolling” equity compensation plan at each annual meeting of shareholders. Accordingly, shareholders will be asked to approve the following resolution:

“BE IT RESOLVED THAT:

1. the omnibus long-term incentive plan of the Company as described in the management information circular dated July 14, 2025, be and it is hereby approved, confirmed and ratified.”

In accordance with the policies of the TSXV, the LTIP must be approved by the majority of votes cast at the Meeting on the resolution.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL AND CONFIRMATION OF THE LTIP UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER COMMON SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION.

STATEMENT OF EXECUTIVE COMPENSATION

Under applicable securities legislation, the Company is required to disclose certain financial and other information relating to the compensation of the Chief Executive Officer, the Chief Financial Officer and the most highly compensated executive officer of the Company as at December 31, 2024 whose total compensation was more than \$150,000 for the financial year of the Company ended December 31, 2024 (collectively the “**Named Executive Officers**”) and for the directors of the Company.

Stock Options and Other Compensation Securities

No compensation securities were granted or issued to Named Executive Officers or directors of the Company during the most recently completed financial year of the Company for services provided or to be provided, directly or indirectly, to the Company or any of its subsidiaries.

No compensation securities were exercised by any Named Executive Officer or any director of the Company during the most recently completed financial year of the Company.

Stock Option Plan and other Incentive Plans

The Company adopted the LTIP which provides for a variety of Awards to certain directors, officers, employees, consultants and management company employees providing ongoing services to the Company and its affiliates. Each Option represents the right to receive Common Shares and each Share Unit represents the right to receive Common Shares, or the market value of such Common Shares in cash, or a combination of the two, in accordance with the terms of the LTIP.

Under the terms of the LTIP, the Board, may grant Awards to eligible participants, as applicable. Participation in the LTIP is voluntary and, if an eligible participant agrees to participate, the grant of Awards will be evidenced by a grant agreement with each such participant. The interest of any participant in any Award is not assignable or transferable, whether voluntary, involuntary, by operation of law or otherwise, other than by will or the laws of descent and distribution.

The LTIP provides that appropriate adjustments, if any, will be made by the Board in connection with a reclassification, reorganization or other change of the Common Shares, share split or consolidation, distribution, merger or amalgamation, in the Common Shares issuable or amounts payable to preclude a dilution or enlargement of the benefits under the LTIP.

The LTIP is a "rolling" plan which sets the total number of Common Shares reserved and available for grant and issuance pursuant to Awards at an amount not to exceed 10% of the Common Shares at the date of grant, or such other number as may be approved by the TSXV and the shareholders from time to time.

The maximum number of Common Shares reserved for issuance, in the aggregate, under the LTIP and all other share compensation arrangements will be 10% of the aggregate number of Common Shares issued and outstanding at the date of grant, which represents 3,092,077 Common Shares as of the date hereof. As of the date hereof, there are 2,447,500 Options outstanding, representing approximately 7.92% of the issued and outstanding Common Shares of the Company.

For the purposes of calculating the maximum number of Common Shares reserved for issuance under the LTIP and all other share compensation arrangements, any issuance from treasury by the Company that is issued in reliance upon an exemption under applicable stock exchange rules applicable to equity-based compensation arrangements used as an inducement to person(s) or company(ies) not previously employed by and not previously an insider of the Company shall not be included. All of the Common Shares covered by the exercised, cancelled or terminated Awards or Common Shares underlying an Award that have been settled in cash will automatically become available

Common Shares for the purposes of Awards that may be subsequently granted under the LTIP. As a result, the LTIP is considered an “evergreen” plan.

The maximum number of Common Shares that may be: (i) issued to insiders of the Company within any one-year period; or (ii) issuable to insiders of the Company at any time, in each case, under the LTIP alone, or when combined with all of the Company’s other security-based compensation arrangements, cannot exceed 10% of the aggregate number of Common Shares issued and outstanding at the date of grant determined on a non-diluted basis, unless disinterested shareholder approval is obtained in accordance with the terms of the LTIP.

In addition, unless expressly permitted and accepted by the TSXV, the aggregate number of Common Shares issuable pursuant to Awards together with all other share compensation arrangements to: (a) any one eligible participant within any 12-month period, cannot exceed 5% of the issued and outstanding Common Shares issued and outstanding at the date of grant; (b) to any one eligible participant that is a Consultant (as defined in the LTIP) within any 12-month period cannot exceed 2% of the issued and outstanding Common Shares issued and outstanding at the date of grant; (c) to all Investor Relations Service Providers (as defined in the LTIP) within any 12-month period cannot exceed 2% of the issued and outstanding Common Shares issued and outstanding at the date of grant; and (d) to Eligible Charitable Organizations (as defined in the LTIP) shall not exceed 1% of the issued and outstanding Common Shares issued and outstanding at the date of grant.

Options

An Option will be exercisable during a period established by the Board which will commence on the date of the grant and terminate no later than ten years after the date of the granting of the Option or such shorter period as the Board may determine. The minimum exercise price of an Option will be determined based on the closing price of the Common Shares on the TSXV on the last trading day before the date such Option is granted. The LTIP provides that the exercise period of an Option will automatically be extended if the date on which it is scheduled to terminate falls during a black-out period that is formally imposed by the Company. In such cases, the extended exercise period will terminate 10 business days after the last day of the black-out period. In order to facilitate the payment of the exercise price of the Options, the LTIP has a cashless exercise feature pursuant to which a participant may elect to undertake either a broker assisted “cashless exercise” or a “net exercise” subject to the procedures set out in the LTIP, including the consent of the Board, where required.

Share Units

A Share Unit is an RSU or PSU entitling the recipient to acquire Common Shares, subject to such restrictions and conditions as the Board may determine at the time of grant. Conditions may be based on continuing employment (or other service relationship) and/or achievement of pre-established performance goals and objectives. The terms and conditions of grants of RSUs and PSUs, including the quantity, type of award, grant date, vesting conditions, vesting periods, settlement date and other terms and conditions with respect to these Awards, will be set out in the eligible participant’s grant agreement. In the event that an Award is granted based on a dollar amount relative to market value, the market value may not be less than the closing market price of the Common Shares on the day immediately preceding the grant of the Award, subject to permitted discounts in accordance with the policies of the TSXV.

Subject to applicable vesting, performance criteria and other conditions set forth in the grant agreement, the Board is entitled to determine whether RSUs and/or PSUs awarded to an eligible participant will entitle such participant to receive Common Shares, the cash equivalent of Common Shares underlying the Award based on the prevailing market value of the Common Shares on the stock exchange on which the Common Shares are then listed, or a combination of the two.

No Share Unit may vest before the date that is one year following the applicable date of grant, provided that this limitation shall not apply in the case of an eligible participant’s death, or in connection with a change of control of the Company, takeover bid, reverse takeover transaction, or any similar transaction. PSUs will vest upon the achievement of specific performance criteria established by the Board, and any other vesting conditions that may be set forth in the applicable grant agreement. For each award of PSUs, the Board will establish the period in which any performance criteria and other vesting conditions must be met in order for an eligible participant to be entitled to

receive Common Shares in exchange for all or a portion of the PSUs held by such participant, provided that such period must not be longer than December 31 of the calendar year which is three years after the calendar year in which such PSU was granted.

In the event that a Share Unit Settlement Date (as defined in the LTIP) falls during a blackout period that is formally imposed by the Company, the Share Unit Settlement Date will be automatically extended to the 10th business day following the last day of the black-out period.

Under the terms of the LTIP, each non-employee director of the Company may elect to receive all or a portion his or her annual retainer fee in the form of a grant of RSUs in each fiscal year. At all time while the Common Shares are listed on the TSXV, no Investor Relations Service Provider and no Eligible Charitable Organization may receive Share Units.

Termination of Employment

The following table describes the impact of certain events upon the rights of holders of Options and Share Units under the LTIP, including termination for cause, retirement, resignation, ceasing to be an eligible participant for any reason (other than for cause resignation or death), and death, subject to the terms of an eligible participant's employment agreement, grant agreement and the change of control provisions described below:

Event Provisions	Provisions
Termination for cause	Immediate termination of all vested and unvested Options and/or Share Units on the date of termination.
Retirement	All unvested Options and/or Share Units will vest in accordance with their vesting schedules, and all vested Options and/or Share Units held may be exercised until the earlier of the expiry date of such Options and/or Share Units or one year following the date that the holder ceases to be an eligible participant under the LTIP, subject to certain exceptions.
Resignation	All vested Options and/or Share Units will vest on the earlier of the original expiry date and 90 days after resignation, or such longer period as the Board may determine in its sole discretion. All unvested Options and/or Share Units terminate on the effective date of resignation.
Ceasing to be an eligible participant for any reason (other than for "cause", retirement, resignation, death or in connection with a change of control)	In the event a participant ceases to be an eligible participant for any reason (other than for cause, retirement, resignation, death or in connection with a change of control), all unvested Options and/or Share Units may vest subject to pro ration over the applicable vesting or performance period and will expire on the earlier of 90 days after the effective date of termination, or the expiry date of such Option and/or Share Unit.
Death	All unvested Options and/or Share Units immediately vest and expire 180 days after the death of such eligible participant.
Change of Control	resigns for good reason during the 12 month period following a change of control, or after the Company has

signed a written agreement to effect a change of control but before the change of control is completed, then any unvested Options and/or Share Units will immediately vest and may be exercised prior to the earlier of 30 days after such date or the expiry date of such Options and/or Share Units.

In connection with a change of control of the Company, the Board will take such steps as are reasonably necessary or desirable to cause the conversion or exchange or replacement of outstanding Awards into, or for, rights or other securities of substantially equivalent (or greater) value in the continuing entity, as applicable. If the surviving successor or acquiring entity does not assume the outstanding Awards, or if the Board otherwise determines in its discretion, the Company will give written notice to all participants advising that the LTIP will be terminated effective immediately prior to the change of control and all Awards, as applicable, will be deemed to be vested and, unless otherwise exercised, settle, forfeited or cancelled prior to the termination of the LTIP, will expire or, with respect to the RSUs and PSUs be settled, immediately prior to the termination of the LTIP. In the event of a change of control, the Board has the power to: (i) make such other changes to the terms of the Awards as it considers fair and appropriate in the circumstances, provided such changes are not adverse to the participants; (ii) otherwise modify the terms of the Awards to assist the participants to tender into a takeover bid or other arrangement leading to a change of control, and thereafter; and (iii) terminate, conditionally or otherwise, the Awards not exercised or settled, as applicable, following successful completion of such change of control. If the change of control is not completed within the time specified therein (as the same may be extended), the Awards which vest will be returned by the Company to the participant and, if exercised or settled, as applicable, the Common Shares issued on such exercise or settlement will be reinstated as authorized but unissued Common Shares and the original terms applicable to such Awards will be reinstated.

Termination and Amendments

The Board may, in its sole discretion, suspend or terminate the LTIP at any time, or from time to time, amend, revise or discontinue the terms and conditions of the LTIP or of any securities granted under the LTIP and any grant agreement relating thereto, subject to any required regulatory and TSXV approval, provided that such suspension, termination, amendment, or revision will not adversely alter or impair any Award previously granted except as permitted by the terms of the LTIP or as required by applicable laws.

The Board may amend the LTIP or any securities granted under the LTIP at any time without the consent of a participant provided that such amendment: (i) does not adversely alter or impair any Award previously granted except as permitted by the terms of the LTIP; (ii) is in compliance with applicable law and subject to any regulatory approvals including, where required, the approval of the TSXV; and (iii) is subject to shareholder approval, where required by law, the requirements of the TSXV or the LTIP, provided however that shareholder approval will not be required for the following amendments and the Board may make any changes which may include but are not limited to: (i) amendments which are of a typographical, grammatical, clerical nature only; and (ii) amendments to clarify existing provisions of the Plan that do not have the effect of altering the scope, nature and intent of such provisions.

The foregoing information is intended to be a brief description of the LTIP and is qualified in its entirety by the full text of the LTIP. The Company has no equity compensation plans other than the LTIP.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Board has adopted a charter for its Compensation Committee which sets out its mandate and purpose, as well as its duties and responsibilities. Currently, the function of the Compensation Committee is carried on by the Board.

The Board, at the recommendation of the management of the Company, determines the compensation payable to the directors of the Company and reviews such compensation periodically throughout the year. For their role as directors of the Company, each director of the Company who is not a Named Executive Officer may, from time to time, be awarded Awards under the provisions of the LTIP. There are no other arrangements under which the directors of the Company who are not Named Executive Officers were compensated by the Company or its subsidiaries during the most recently completed financial year end for their services in their capacity as directors of the Company.

Compensation of Named Executive Officers

Principles of Executive Compensation

The Company believes in linking an individual’s compensation to his or her performance and contribution as well as to the performance of the Company as a whole. The primary components of the Company’s executive compensation are base salary and option-based awards. The Board believes that the mix between base salary and incentives must

be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation to the interests of the shareholders. The following principles form the basis of the Company's executive compensation program:

1. align interest of executives and shareholders;
2. attract and motivate executives who are instrumental to the success of the Company and the enhancement of shareholder value;
3. pay for performance;
4. ensure compensation methods have the effect of retaining those executives whose performance has enhanced the Company's long term value; and
5. connect, if possible, the Company's employees into principles 1 through 4 above.

The Board is responsible for the Company's compensation policies and practices. The Board has the responsibility to review and make recommendations concerning the compensation of the directors of the Company and the Named Executive Officers. The Board also has the responsibility to make recommendations concerning annual bonuses and grants to eligible persons under the Stock Option Plan. The Board also reviews and approves the hiring of executive officers.

Base Salary

Base salary compensates executives for fulfilling their roles and responsibilities within the organization and aims to retain such executives. The Board determines the amount of base salaries for each of the Named Executive Officers, taking into consideration the recommendation of the Chief Executive Officer, the individual's performance and contributions to the success of the Company, competitive industry pay practices for comparable positions and internal equities among positions. No specific weightings are assigned to each factor, but rather, a subjective determination is made based on a general assessment of the performance of the individual relative to such factors.

Annual Incentives

The Named Executive Officers have an opportunity to earn annual incentive compensation payable as a cash bonus. The annual incentive compensation is intended to link pay to annual performance that will drive shareholder value. Award opportunities vary based on the individual's position and contributions to the performance of the Company. Annual incentive compensation is tied to corporate and individual performance. The determination of corporate and personal performance and final bonus payouts is based on a subjective assessment of such performance and requires considerable discretion.

Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of annual incentives for each Named Executive Officer at the beginning of each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day to day corporate activities, will trigger the award of a bonus payment to the Named Executive Officers. The Named Executive Officers will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

Long Term Compensation

The Company currently has no long-term incentive plans, other than Awards granted from time to time by the Board under the provisions of the LTIP.

Pension Disclosure

There are no pension plan benefits in place for the Named Executive Officers or the directors of the Company.

Termination and Change of Control Benefits

The Company does not have in place any pension or retirement plan. The Company has not provided compensation, monetary or otherwise, during the preceding fiscal year, to any person who now acts or has previously acted as a Named Executive Officer or director of the Company in connection with or related to the retirement, termination or resignation of such person. The Company has not provided any compensation to such persons as a result of a change of control of the Company, its subsidiaries or affiliates. The Company is not party to any compensation plan or arrangement with a Named Executive Officer or a director of the Company resulting from the resignation, retirement or the termination of employment of such person.

Audit Committee Oversight

Since the commencement of the Company's most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Exemptions in NI 52-110

Since the commencement of the Company's most recently completed financial year, the Company has not relied on:

1. the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Company's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Company, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit);
2. the exemption in subsection 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*) of NI 52-110 (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if a circumstance arises that affects the business or operations of the Company and a reasonable person would conclude that the circumstance can be best addressed by a member of the Audit Committee becoming an executive officer or employee of the Company);
3. the exemption in subsection 6.1.1(5) (*Events Outside Control of Member*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if an Audit Committee member becomes a control person of the Company or of an affiliate of the Company for reasons outside the member's reasonable control);
4. the exemption in subsection 6.1.1(6) (*Death, Incapacity or Resignation*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if a vacancy on the Audit Committee arises as a result of the death, incapacity or resignation of an Audit Committee member and the Board was required to fill the vacancy); or
5. an exemption from the requirements of NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (*Exemptions*) of NI 52-110.

The Company is a "venture issuer" for the purposes of NI 52-110. Accordingly, the Company is relying upon the exemption in section 6.1 of NI 52-110 providing that the Company is exempt from the application of Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*) of NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Charter.

Audit Fees

The following table provides details in respect of audit, audit related, tax and other fees billed by the external auditor of the Company for professional services rendered to the Company during the fiscal years ended December 31, 2024 and December 31, 2023.

	Audit Fees (\$)	Audit-Related Fees (\$)	Tax Fees (\$)	All Other Fees (\$)
Year ended December 31, 2024	60,000	nil	nil	nil
Year ended December 31, 2023	57,596	nil	nil	nil

Audit Fees – aggregate fees billed for professional services rendered by the auditor for the audit of the Company’s annual financial statements as well as services provided in connection with statutory and regulatory filings.

Audit-Related Fees – aggregate fees billed for professional services rendered by the auditor and were comprised primarily of audit procedures performed related to the review of quarterly financial statements and related documents.

Tax Fees – aggregate fees billed for tax compliance, tax advice and tax planning professional services. These services included reviewing tax returns and assisting in responses to government tax authorities.

All Other Fees – aggregate fees billed for professional services which included accounting advice.

REPORT ON GOVERNANCE

The Company believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (collectively the “**Governance Guidelines**”) of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. In certain cases, the Company’s practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. In 2006 the Company adopted a Corporate Governance Policies and Procedures Manual and the Company will continue to review and implement corporate governance guidelines as the business of the Company progresses and becomes more active in operations.

The following disclosure is required by the Governance Guidelines and describes the Company’s approach to governance and outlines the various procedures, policies and practices that the Company and the Board have implemented.

Board of Directors

The Board is currently composed of three directors. At the Meeting it is proposed that three directors be elected. Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)* (“**Form 58-101F2**”) requires disclosure regarding how the Board facilitates its exercise of independent supervision over management of the Company by providing the identity of directors who are independent and the identity of directors who are not independent and the basis for that determination. NI 52-110 provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the

view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. In addition, under NI 52-110, an individual who is, or has been within the last three years, an employee or executive officer of an issuer, is deemed to have a "material relationship" with the issuer. Accordingly, of the proposed director nominees, Mr. Mathew Wilson, the President and Chief Executive Officer of the Company is considered not to be "independent". The remaining two proposed nominees are considered by the Board to be "independent", within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors.

Directorships

The following table sets forth the directors, and proposed directors, of the Company who currently hold directorships with other reporting issuers:

Name of Director	Reporting Issuer
Stephen Keith	Aura Minerals Inc.
Mark Goodman	J2 Metals Inc. and Copper Road Resources Inc.

Orientation and Continuing Education

To provide orientation to new directors regarding the role of the Board and its committees, the Board provides copies of its mandate, committee charters, policies and other relevant corporate documents. To orient new directors on the nature and operation of the Company's business, the Board provides new directors with copies of the most recent public filings of the Company. New directors also meet with the Chief Executive Officer to review in detail the business of the Company. With respect to continuing education, the Board has no formal continuing education program. From time to time, the Chief Executive Officer meets with directors to update them on issues relating to the business and, in between Board meetings, the Chief Executive Officer also provides updates to the directors regarding the Company's business to ensure that the directors maintain the knowledge regarding the Company and its industry necessary for them to meet their obligations as directors. Directors are individually responsible for updating their skills necessary to meet their obligations as directors. Several directors have either public company experience or experience on other boards of directors.

Ethical Business Conduct

The Board has adopted a written Code of Business Conduct and Ethics (the "**Code of Ethics**") that applies to all directors, officers and employees of the Company and its subsidiaries, as well as those companies that provide administrative, accounting or other services to the Company in respect of their dealings with the Company. A copy of the Code of Ethics was filed by the Company on June 12, 2006 and is available on SEDAR+ under the profile of the Company at www.sedarplus.ca. The Board is responsible for monitoring compliance with the Code of Ethics. To facilitate the Board's monitoring of compliance, the Code of Ethics requires all employees to promptly report any problems or concerns and any actual or potential violations to their manager or to the Chairperson of the Audit Committee. The Code of Ethics also provides for confidential reporting of violations by employees to the Audit Committee, directly or via the Chief Financial Officer and establishes a channel for direct or confidential reporting of any violations by officers and directors who become aware of any violation.

Nomination of Directors

At present, the Board performs the functions of a nominating committee with responsibility for the appointment and assessment of directors. The Board believes that this is a practical approach at this stage of the Company's development and given the small size of the Board.

While there are no specific criteria for Board membership, in identifying new candidates for Board nomination, the Board considers a mix of competencies and skills in different areas, such as business, mineral exploration and development and other areas which could be useful in guiding management of the Company.

Diversity of the Board and Senior Management

As a federal distributing corporation, incorporated under the *Canada Business Corporations Act*, the Company is required to disclose information annually to its shareholders and Corporations Canada on the diversity of its Board and senior management on the representation of women, Indigenous peoples (First Nations, Inuit and Metis), persons with disabilities, members of visible minorities or otherwise self-represent as being within designated groups (as that term is defined in the *Employment Equity Act* (Canada) (the “**Designated Groups**”). The information below is provided as of September 14, 2023.

Diversity of the Board and Senior Management

The Company has not adopted a formal written policy regarding the diversity of the Board or senior management. The Company does not believe a formal policy would increase the representation of Designated Groups beyond how the Company currently nominates and appoints individuals to the Board and senior management. The Company considers all qualified individuals for each position that may arise.

While the Company believes that nominations to the Board and appointments to senior management should be based on merit, the Company recognizes that diversity supports balanced debate and discussion which, in turn, enhances decision-making and the level of representation of members of the Designated Groups is one factor taken into consideration during the search process for directors and members of the senior management.

In assessing potential directors and members of the senior management, the Company focuses on the skills, expertise, experience and independence which the Company requires to be effective. Due to the small size of the Board and the management team, and the stage of development of the Company’s business, the Board believes that the qualifications and experience of proposed new directors and members of senior management should remain the primary consideration in the selection process. The Company will include diversity (including the level of representation of members of Designated Groups) as a factor in its future decision-making when identifying and nominating candidates for election or re-election to the Board and for senior management positions.

Director Term Limits and Other Mechanism of Board Renewal

The Company has not adopted term restrictions for directors or other mechanism of Board renewal that would limit the time an individual could serve on the Board. Imposing a term limit would require the Company to remove an individual that has acquired an extensive knowledge and understanding of the operations of the Company. Accordingly, the Company believes that removing an individual solely on length of service would not benefit the shareholders of the Company. Each member of the Board is put forth, for election or re-election, to shareholders annually.

Quotas or Targets for Representation of Designated Groups on the Board and among Senior Management

The Company has not established quotas or targets for representation of individuals from the Designated Groups to the Board or senior management. The Company believes that focusing on a quota or target rather than on skills and experience would limit the Company’s ability to provide shareholders with a Board or senior management that meets the qualifications and needs of the Company and its shareholders.

Representation of Designated Groups among Board and Senior Management

As of the date hereof, there are no members of a Designated Group that hold a position on the Board or among senior management.

Other Board Committees

In addition to the Audit Committee, the Company has established a Compensation Committee.

Assessments
